The 2015 modified N\$10 & N\$20 Banknotes

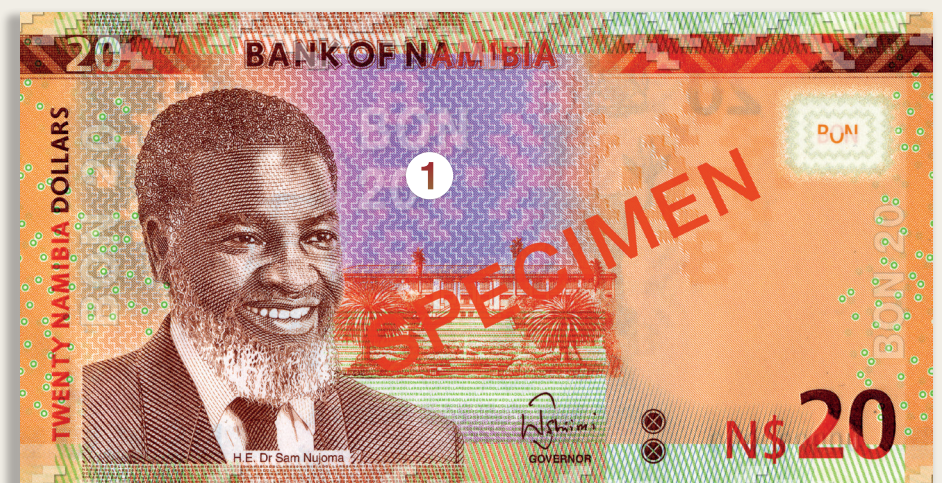

2013 version

2015 modified version

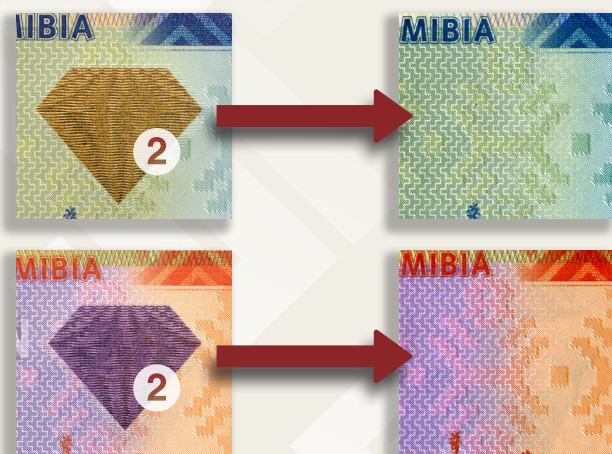

2013 version

2015 modified version

What are the significant visual changes on the two banknotes?

The diamond shape security feature (2) on the 2013 version has been removed. The 2015 modified version of the N\$10 and N\$20 banknotes will no longer have the diamond shape security feature. The rest of the security features on the N\$10 and N\$20 banknotes will remain.
